- 2017 Show Committee

Mike making a deal?

Our Annual Camera Show at Kent Commons will be Saturday - April 8th 2017.

We are forming our show committee. If you are interested please either send Mike Immel an

email (shutterf64@yahoo.com) or volunteer at our meeting on October.

Our first meeting will be the second week of November at Mike Immel's home. This will give you a

chance to see my collection. The next meeting will be in January with three more to follow at other committee members homes. Love

to have some new blood. The work is easy and you receive a FREE table at the show.

Call for Donation of Large format Leaf Shutters

Bob Peters has made a request for broken leaf type press/view camera shutters to be donated for parts to Carol Flutot who repairs leaf type shutters. Her shop is in California. Bob is not going to make any money on this, but it will allow her to continue repairing shutters. She can use Compur, Copal, Ilex, Prontor, Alphax and/or Betax, Shutter can be not working or more or less complete.

Carol provides a real service to anyone using press or view cameras and told Bob that she is not getting the donated shutters she used to get. There are no sources for repair parts except for donated shutters. Thought some of the members might have broken shutters they'd like to see be recycled for parts.

Bob will collect any shutters that turn up at the next meeting or at the show. She has done a good job on the shutters Bob has sent to her and he would like to help her out. Anyone needing to have a shutter serviced, Bob highly recommends her service. If you are interested in Carol's service drop Bob an email at b.c.peters@comcast.net
